We Get Letters ...

Dear Friend,

During the year we get hundreds of letters from teachers. Here are just a few of the many comments we have had this year.

"The *Earth Patrol* is catching fire here."

Irene Van Eaton
Carnegie, Okla.

"My *Weekly Reader* is the highlight of our week."

Dorothy Godbold
Union, S.C.

"Thank you again for a great aid to the teacher."

Nelle Mang
Beaumont, Tex.

"I think your *Earth Patrol* is an excellent idea."

Raymond Delf
Essexville, Mich.

"*Weekly Reader Earth Patrol* program is super!"

Kathryn Ogden
Brawley, Calif.

Of course, not all the letters were quite so complimentary as these. But every letter was read carefully and thoughtfully, complimentary or not.

We want to take this opportunity to thank you for

your participation this year. You have participated not only in the *Earth Patrol* program (overwhelmingly!) but also by sending children's letters to us, and by sending us your suggestions.

You have helped us by reacting to the topics and ideas we have included in *Weekly Reader*. We, in turn, were better able to provide you with an ever more useful and informative teaching tool.

Thank you for letting us share this school year with you. See you next September.

Have a happy summer.

Sincerely,

Estancelle Hsworth
